REMARKS

Claims 1 through 33 are pending.

Applicant has amended the Specification to update the information set out in the first paragraph of page 1.

Applicant has amended the claim formerly listed as the second claim 21 in order to correctly identify the claim as claim 22.

Double Patenting Rejection

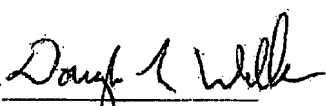

Examiner has rejected claims 1 through 33 under the judicially created doctrine of the obviousness type double patenting of the claims. Applicant herewith submits a terminal disclaimer to obviate the rejection.

Conclusion

Applicant believes this Amendment has placed the present case in condition for allowance and favorable action is respectfully requested.

Respectfully submitted,

CLAUS SKAANNING
